

Internet Access Agreement

User: I understand that the Internet can connect me to useful worldwide information and provide a means to communicate with peers and experts.

While I have access to the Internet:

- I will use it only for educational purposes;
- I will not look for anything that is inaccurate, offensive or illegal;
- If I accidentally come across something that is inaccurate, offensive or illegal, I will
 1. Clear any offensive pictures or information from my screen; and
 2. Immediately and quietly inform the person supervising me.
- I will not reveal personal details, home addresses or phone numbers – mine or anyone else’s.
- I will not use the Internet to annoy or offend anyone else.

I understand that if the school decides I have broken these rules, appropriate actions will be taken. This may include reporting to authorities, legal action and or loss of my Internet access for some time.

I understand that the Internet can provide students with valuable learning experiences. I also understand that it gives access to worldwide information that the school cannot control what is available on the Internet and that some information can be inaccurate, offensive or illegal.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by the user.

I believe _____ (students names) understand this responsibility, and I have given my permission for him/her/them to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include reporting to authorities, legal action and or loss of Internet access for some time.
